## Product Designer

Product Designer with a background in development as well as teaching through empathetic communication and a passion for great design. My mission is simple: **build amazing things, with amazing people.**

### EXPERIENCE

- 2018 - 2023 **UX Designer and Web Developer** Freelance  
Worked with many different clients on freelance contracting design work, including branding, color, typography and logo designs
- 2022-2023 **UX Designer on Contract** STG Infotech >  
Researched and developed a new redesign of Analytics Dashboard, improving Analytics output efficiency by 2.4x
- 2021-2022 **Japanese Interpreter and translator on Contract** Scion Sols  
Interpreted for Japanese clients and helped to translate Japanese documents into English.
- 2020 - 2021 **German Trainer** JPM Edu Solutions >  
part time  
Taught 100+ students on basic business German. Learned about many different backgrounds and perspectives, which gave me unique insight into how to create great design through empathy
- 2017 - 2020 **Head Product Designer** Quirky Quarks >  
Started with the company and designed all products from ideation, research, mockups to A/B Testing:  
1. Event organization app with 12000+ members and 300 events,  
2. Web app with 10+ shipped products
- 2016 - 2016 **Junior Web Designer** Excrin Labs >  
Customized 3+ Wordpress themes for clients and learned to work with Bootstrap and HTML as a front end developer
- 2015 - 2016 **Web Design Intern** Codebind Technologies >  
part time  
Learned how to develop for new web technologies part time during final semester of college.

### EDUCATION

- 2021 - 2022 **Certification in Product Design** Udemy  
In order to transition from front end developer to full product designer, I took some certificate courses in Product Design in order to fill out any gaps in my design knowledge
- 2013 - 2016 **Bachelor's Degree in Computer Applications** Madras University  
GPA: 8.2/10.0  
Graduated First Class with Distinction  
Elected Student Council Chairman for final year of college

## **VOLUNTEERING**

I have volunteered at Annai Child Foundation orphanage. I have also participated in the Terry Fox Marathon, Elliot's Beach Clean up Effort and I have organized a tree planting as the club leader of the Karuna Club in my College.

## **HOBBIES**

I like taking long walks, reading books: fiction, non-fiction and manga and writing poems in my free time. I also enjoy playing games to relax.
